**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I've been a customer of a small ISP for several years, recently converted from their DSL to fiber service (which I love). They have provided far better technical service and customer support than I received from Comcast or AT&T. Competition is good. Without these small providers, we're forced into local monopolies who serve no one but themselves.
